

I am raising money for local breast cancer patients by participating in the 8th annual CelebratePink 5K Run & Walk, September 18th in Portsmouth, NH!

And I need your help!

This fun and uplifting event raises funds for **MY BREAST CANCER SUPPORT** – an independent NH non-profit organization that provides financial and emotional support to breast cancer patients throughout the Greater Seacoast area of New Hampshire and Southern Maine.

Every year they help *hundreds* of local breast cancer patients with household assistance, living expenses, gas cards, groceries, repairs, heating oil, books for children, comforting gifts, wellness programs and more.

Their goal is to take some of the stress out of patient's lives so they can focus their energy on getting WELL!

Please help make a difference in the well-being of local breast cancer patients by making a donation on my behalf!
